HEARTLAND LAKES describes the unforgettable family vacation destination located in the heart of north-central Minnesota. It is a land of pristine lakes and deep forests, with strong communities and friendly, welcoming people.

Heartland Lakes is home to the source of the Mississippi River at Itasca State Park and the towns of Akeley, Dorset, Lake George, Laporte, Menahga, Nevis, Osage, and Park Rapids.

Whether you visit or choose to live here, we think you will find Heartland Lakes a land to hold in your heart.
In 1902, Akeley was home to the world’s largest sawmill and the bustling Red River Lumber Company. Get out on the water on any of the Crow Wing tributaries or get off road in the Paul Bunyan State Forest. If you’re riding the trails or cruising the Lake Country Scenic Byway, Akeley is a point of outdoor interest.

Dorset is a tiny town with the big claim to fame of being the Restaurant Capital of the World. From May to September, locals and tourists alike flock to Dorset to eat and peruse the shops. No shady politics here! The mayor is elected by raffle. Visit Taste of Dorset in August to place your name on the ballot.

Minnesota’s oldest State Park was inhabited way before the headwaters of the Mississippi was discovered. Visitors from all around the world trek there to experience the Headwaters of the Mississippi. Take a naturalist-led hike or meander the trails on your own. Itasca is a park that does not disappoint.

Lake George is known for great fishing and the annual Blueberry Festival. If you’re looking for a traditional summer getaway, the last weekend in July is when to book your stay in Lake George. A parade, pig roast, outdoor gospel concert and all the blueberries you can eat are just a few highlights of this hometown festival.

Founded by pioneers, only the strong survived in this small town on Garfield Lake. Back in its heyday, Laporte had a train station, a bank and a pickle factory. Nestled in tall pines, Laporte is a place for slowing down and taking in the scenery.

A town incorporated in 1892, the word “Menahga” is Ojibwe for blueberry. The waters of Spirit Lake lap gently against sugar sand beaches that anyone would be delighted to run their toes through. The Gateway to the Pines is also the home of St. Urho Day, a holiday the largely Finnish population takes very seriously.

The World’s Largest Tiger Muskie makes an excellent backdrop for this community that takes pride in its school and sports. Nevis started out as a railway village in 1899 and continues to grow. Let Lake Belle Taine be the setting for your next sunset boat ride.

Spend a day swimming and picnicking by Straight Lake to see why families return to Osage time and time again. The beach is left over from the days when loggers built dams to carry logs downstream. Smokey Hills Forest’s 30 miles of snowmobile trails make it a popular stop for adventure.

Ever since Earl Fuller dubbed the area the “Nation’s Vacationland”, Park Rapids has been a place of hospitality. The extra wide street is a relic from the town’s logging past and now the perfect setting for a day of small town charm.
In 1832, the native guide Ozawindib led explorer Henry Schoolcraft to the source of the Mississippi River, at the mouth of a lake which he named Itasca, coined from the Latin words for "truth" and "head." In 1891, Itasca State Park became Minnesota’s first and America’s second state park.

The 32,000 acre park contains over 100 lakes and offers an extensive trail system. Over a half million visitors each year come to camp, swim, canoe, kayak, pontoon, fish, hike, and bike this nature park. Come experience the American tradition of ‘walking across the Mississippi’ on the stepping stones that crosses the narrow river at the mouth of Lake Itasca.

Heartland Lakes is a place where you can share your love of the outdoors with family and friends. Relax at the lake, tell some funny stories around the campfire and then watch the sunset turn into the northern lights. Let nature be your backdrop for meaningful quality time and make some new memories to cherish.

Take a kid fishing! It is one of those special activities that can bring the generations together. It’s an outdoor activity that intentionally brings people together. When you’re on the lake or in the river, life slows down so relationships can be formed and strengthened.
The Heartland Lakes area has many opportunities for activities, fun, and excitement! Do you enjoy hiking, biking, hunting, snowmobiling or four-wheeling? The over 200 miles of ATV trails, over 1,000 miles of snowmobile trails, and thousands of acres of public land offer plenty of room to get out and do whatever gets your motor running.

There are literally hundreds of lakes to enjoy by watercraft. Itasca State Park is one of the most enjoyable motorcycle rides anywhere. Spend the day on the trail. Go muddin’. Crank it up. Move it out. Rev up your adventure in Heartland Lakes!

The peace and quiet of nature is an appreciated respite from our busy daily lives. Nature has a way of quieting the mind, leaving you to just be. You're getting away but you're also coming back, you're lost in the moment but you've found what's real.

Take some time to get away from it all in this wonderland of pristine lakes, winding rivers, and trails that meander through quiet forests. Whether hiking, biking, skiing down a wooded trail, or gliding in a canoe or kayak on secluded waters, you're sure to find the solitude you seek in Heartland Lakes.
You can enjoy a wide range of food and drink opportunities in Heartland Lakes, from ethnic food to a burger, from homemade candy to a great coffee drink, and from bakeries to bistros. Pick out some farm-fresh local produce, browse a health food store, or stop in at a local brew pub or winery.

The town of Dorset is named “The Restaurant Capital of the World” and boasts a restaurant for every 10 residents. The Heartland Lakes area proves that you don’t have to visit the city to enjoy culinary variety.

Heartland Lakes has a rich tradition of visual and performing arts. With a vibrant local art scene offering summer performances, an active art center, an opera company, and an arts council; there is always something to participate in, listen to or watch.

An active arts community helps build a strong sense of place for residents, adding to their quality of life. It also attracts tourism, which helps the local economy, and is an important factor for young people, families, and businesses who might be looking for a safer, slower-paced place to live.
The legend of Paul Bunyan was inspired by the tall tales told in the area’s early logging camps a century ago. The logging of the vast woodland and lake region gave rise to a rich timber heritage, which has inspired a one-of-a-kind celebration called Legend & Logging Days. The event is held in Park Rapids each summer, and features the Timberworks Lumberjack Show, a historical encampment, archery and tomahawk throwing contests, chainsaw sculptors, loggers breakfast, games, concessions, beer garden, live music, and other fun activities.

A Top 10 Minnesota Main Street

So much in 4 blocks!
Explore one of the last main streets with parking in the middle, a legacy from the days when loggers needed to turn their six-horse teams around. Stroll the four blocks of downtown to discover our many independent stores and restaurants. You will enjoy rediscovering Ben Franklin, the magic of watching fudge stirred to sweet perfection, ice cream treats from an old-fashioned soda fountain that’s been around since 1922, an espresso bar with free wi-fi, terrific sandwiches and burgers, healthy snacks, homemade pies and more!

A variety of shopping!
Unique home decor, furniture and housewares will help you put the finishing touch on your cabin – and you’ll have no trouble finding just the right t-shirt, gift or souvenir to remember your visit. To top it off, our friendly service and quaint ambience will make you feel right at home.

Enjoy a night on the town!
For evening fun, grab dinner downtown - choose from American, Italian, Mexican and Chinese. Then catch a movie at our theater with its classic neon marquee and three screens, or recharge with a cocktail or beer at a variety of local watering holes.

A calendar of local events!
See our calendar for special events year round and check the information kiosk in Pioneer Park on the second block of Main to find out what’s happening now (also available on our website). Pioneer Park is also where you’ll find new public restrooms. In summer, a profusion of flowers decorates store fronts and hanging baskets on Main Street’s carriage lights with other decor changing with the seasons. We welcome you to Downtown Park Rapids!

The Park Rapids Downtown Business Association invites you to celebrate summer at FREE 2nd Street Stage events Thursday evenings from June 11 through Aug. 13.
EXPERIENCE THE HEART OF PARK RAPIDS

Discover up-north hospitality and a friendly hometown spirit when you “stroll and shop” Downtown Park Rapids. The extra-wide streets are lined with gift shops, boutiques, antique stores, pubs, delis, arts, crafts and more. Relax on one of the many benches, and enjoy gourmet coffee, ice cream, and snacks. If you seek evening entertainment, our summer music series, 2nd Street Stage features a beer garden and free live music every Thursday night. Take in a movie at the Art Deco theater and sample a variety of cuisines at our downtown restaurants.

Compassion, Commitment, Integrity and Responsibility
The people of the Heartland Lakes area believe that there is nothing more important than the education of their children. They are committed to helping their children develop their own identities, think for themselves, voluntarily assume responsibility, and become happy, well-prepared and contributing members of society. The schools of Park Rapids, Nevis, Menahga, and Laporte believe that children need protection, security, knowledge, and good values. It all starts with early childhood programs that work with parents and children to prepare students for success as they progress through Elementary, Middle, and High School, and then go on to make the informed decisions that lead to their future successes in life.

**HEALTHCARE**

**Professionalism, Care, Expertise and Empathy**
Healthcare facilities are important at any stage in life. They are especially relevant if you have children or are nearing retirement age. If you need to be close to health care facilities or want to move someplace that has better access to healthier lifestyles, consider moving to the Heartland Lakes area, which is blessed with a considerable number of healthcare options. You’ll find a hospital, clinics, mental health facilities, preventive and wellness medicine, and elder care options such as assisted care living, nursing care, independent living, and in-home care. You will also enjoy the beneficial effects of small-town living, with its slower pace, cleaner air and water, and neighborly support.

Quality of Life, Jobs, Growth, and Technology
There are at least four important factors that can help transform a community into a beacon for opportunity. There must be a great quality of life, in order to entice people to want to live, work and play there. There must be industry and jobs. There must be financial support to encourage the growth of entrepreneurship and business investment. Lastly, there must be up-to-date infrastructure and technology that is capable of supporting the community in a changing world. Enter a full service airport, high speed internet access, and the services of many other companies and employers, all solidly supporting the economic growth of the Heartland Lakes area, with the goal of transforming the area into a regional center for manufacturing, commercial industry and medical care.

Live, Work, Play, and Enjoy
Quality of life refers to your satisfaction with life, and can be affected by employment, recreation, lifestyle, health, religious beliefs, family, and the environment where you live. Heartland Lakes offers an unmatched quality of life and is a great place to raise a family, get a good job, retire, or start a business.

You can participate in outdoor recreational opportunities year round, find a variety of places to worship, shop for the things you want and need and enjoy a variety of eateries. There’s a busy calendar of seasonal festivities and a burgeoning musical, visual, and performing arts scene. Tour multiple artist studios during Art Leap. Enjoy weekly summer concerts at 2nd Street Stage. The Park Rapids Theater District offers comedy, musicals and dramas at Long Lake Theater/Vision Theater and Jaspers Theater. Nemeth Art Center and the Park Rapids Lakes Area Arts Council sponsor other arts and cultural offerings. Northern Lights Opera gathers singers, musicians, and volunteers to bring professional musical theater to the stage. Whatever your tastes are, you can find them in Heartland Lakes. You’ll reap the benefits of small-town living while still enjoying some of the cultural offerings of a larger city.

**Heartwarming adventures.** We didn’t shovel the driveway before dawn. Or rearrange the car about 12 times to make sure everything fit. But with the crude oil we transport, we did help create the winter items that make the season exhilarating. When the energy you invest in life meets the energy we fuel it with, winter fun happens.
